MEMORANDUM

15 February 1945

TO : Major Hans V. Tofte, Deputy Chief, Division of
Intelligence Procurement

FROM : Jackson Mathews, Repr. 7th Army Detachment

SUBJECT: Progress Report on Anzio Operation

1. Training: The Agent, Bob, is having his second J-E session today, 15th February, and expects to have his last tomorrow. This is the only training requested for this operation in London.

2. Documents: Agent intends to use own documents now in his possession, which together with his cover have been reviewed and approved by the Bach Unit.

3. Equipment: This has been requested and Captain Palmer's office advises me that same will be available tomorrow, 16th February.

4. Finances: All financial arrangements are being made by the 7th Army Unit.

5. Pinpoint: Desired pinpoint lies in the area South and East of Gaggenau and has been submitted for approval.

6. Briefing: This agent has had all fundamental briefing. Upon his return to France and before leaving on mission he will be sent to G-2 6th A. G. and 7th Army for further work of this kind.

7. Packing: Equipment for this operation will consist only of such articles of clothing and supplies as can be carried on the agent's person and the necessary communications instruments which will be carried in the same way.

8. Personal Papers: Agent intends to use personal papers in support of cover and they are in order and in his possession.
